

SIDE 3

JAFAR

I must have the throne by any means, and there's one sure-fire way to get it.

IAGO

The lamp, boss?

JAFAR

The lamp! Once I have it, the world will be mine!

(JAFAR and IAGO arrive at the Cave of Wonders)

Mighty Cave Guardian, I beg you ... allow me to enter and retrieve the magical lamp!

CAVE GUARDIAN

Only the Diamond in the Rough may enter the Cave of Wonders.

JAFAR

Diamond in the Rough?

IAGO

What's that?

CAVE GUARDIAN

One whose worth lies deep within ... the Diamond in the Rough ...

(A vision of ALADDIN appears.)

IAGO

The Diamond in the Rough is a common street rat?

JAFAR

Then that street rat must get the lamp for us!

IAGO

And then you can become Sultan and rule Agrabah!

JAFAR

Bingo, bird-brain! The moon is nearly full. There's no time to lose!
